“ My condolences to the Boyd and Bell families in the passing of De'Letta. De'Letta was a great student at Annie Burnside Elementary School. That beautiful smile has remained over the years. During this time, I pray that you find peace and comfort in the memories of the times that you had with her. Take solace in her beautiful smile and warm personality during this time. Know that God is with you all during this difficult time and that he will continue to be with you.

“ Deletta came in to my life when I was at my lowest point. She brought a love that broke the dark cloud that hung over me. She taught me how to live myself again after going thru a terrible abusive relationship. She accepted me for all my faults and never judged me. we had been together for about 5 months before she passed and I will cherish every moment I spent with her. Always treat your loved one's like it is ur last moment cause u never know when that will be ur last moment with them. De,Letta made me a better man. I find comfort in knowing that she isn't in anymore pain. I spent the last month with her day n night doing for her what she couldn't do for herself and I would give anything just to see her smile one more time. I love u De,Letta and I'll see u in the after life. I pray that you keep ur loving hand on me thru my life cause I need u. Life just isn't the same without you

“ I have not meet Drletta's BUT, her mother , father, and sister Bri. Her family was remarkable. I,was raising 4 sons along. Her mom, doing a beautiful thing. That someone that love God, would do. So,I know that what I witness with her family. I know the apple don't fall far from the tree. So sorry about her daughter's passing. The Bible said absent , in the body present with the Lord.To her kids , It is hard to understand I know. But,thing for sure. God, will never leave or forsake u all . My prayers are for all her kids. That God. Will strengthen them. And allow the peace of God, be in their hearts. T o Bri. Mom, God, promised that he will never leave you. God, gave her to you. To allow her let her light shine to others I BLESS YHE ENTIRE FAMILY. AS God, bring healing and clarity. I Love u all and continually praying for the family.
