

## Aaron "A.Z." Cherry Sr.

September 25, 1937 - March 18, 2020

Bro. Aaron Zachary (A.Z.) Cherry, Sr. was born September 25, 1937, in McDonough, GA to the late Ethel Glover Cherry the late James Cherry. He was the third born of five children. He married Lucy (Lois) Elizabeth McMichael on June 11, 1966. From this union four children were born.

Bro. A.Z. accepted Christ at an early age, and joined Bethlehem Baptist Church in Locust Grove, GA where he faithfully served in the Male Chorus, on the Finance Ministry, and on the Layman's Ministry. He was well known in the community and did not meet any strangers as he loved to socialize. He served his community as a member of the City Zoning Board for several years.

Bro. A.Z. attended Henry County Training School. He later became employed at Georgia Tech and Delta Airlines. In 1993, he retired from Delta Airlines after working there 28 years. His favorite pastime was playing checkers and joking around with friends "under the tree."

On March 18, 2020, Bro. A.Z. received his wings and departed this life at the age of 82. He was preceded in death by his parents, Ethel and James, his brothers, Clifford and Billy, and his sister, Elizabeth. As a husband, father, grandfather, brother, uncle, cousin and friend, he leaves to cherish his memory a loving and devoted wife, Lucy (Lois); five children, Tina Cherry, Tracey Allen (Aveory), Aaron Z. Cherry, Jr., Dana Jarrells (Cory), and Sherrion Barlow (James); one sister, Marion Miller (A.W.); one sister-in-law, Gladys Rosser; eight grandchildren, Bralin and Ryanne Allen, Alex and Austun Cherry, Adasia Gibbs, Jory and Haleigh Jarrells, and Santrice Jones; and a

host of nieces, nephews, cousins, and friends.

Following the recommendations of the CDC during the COVID-19 pandemic, the Cherry Family will have a private homegoing service for Mr. A.Z. Cherry. The interment will be public and family and friends are asked to join the family on Tuesday, March 24th at 1:00 p.m. at Bethlehem Baptist Church.

“ Mr. Cherry bka Daddy Cherry...I remember the very first time I met you and hearing you say my name, O-Livia. You said to me, that's a fancy name you got there. Smile...You loved to talk, you always had a story to tell and plenty of jokes too. Daddy Cherry you loved working in the yard, you loved vehicles and most of all you loved your family unconditionally. My fondest memory is me coming to the house with Tracey for the weekend while we were in college @ West Georgia & you helping me pick and load up on the pomegranates from your trees in the yard, (they still are my favorite). Thank you for treating me like one of your own children/daughters.

Unfortunately, I had not seen or talked to you in years, but I would ask Tracey about you often. Hearing people share their stories of you and watching the collage of pictures made me laugh, cry and tugged at my heart. You leave behind a legacy of love because of your smile, wisdom kind words and work ethic. Daddy Cherry, You've earned your crown now sir, rest peacefully and much love until we meet again. ❤️ Olivia Smith in New Carrollton, Maryland.

“ I called him Z, don't know why but did. He always had a smile and I loved being around them. Good times and good food too! I helped him spoil Dana, lol. I even named my boys after him. Zachery and Aaron. I told him that I would and I did and I think he and Lois found that amazing. I should have stopped by the last time I was in McDonough. Lord told me and I said next time. I should have listened. It breaks my heart 😭  
Love y'all.

“ To the Entire Family,

*I was deeply saddened by the news of Mr. Cherry's passing. I remember when I first met Dana and her beautiful family at Bethlehem Baptist Church. Mr. and Mrs. Cherry were truly the most welcoming, loving, and captivating married couple that I every met. My husband and I always and always will admire their union. Mr. Cherry had an ENORMOUS sense of humor that would light up a room and make your heart laugh. I recall when I was going through the most difficult time in my life, I had to have multiple surgeries. One Sunday, I guess Mr. Cherry could sense my troubling spirit. Instantly, he said, "Girl, what's wrong with you?" I surprisingly looked up and he said laughing, " There is nothing wrong with you, you are going to be alright, keep moving forward." and he was right, I am alright.. I have learned that laughter is good for the soul and sometimes you have to keep laughing to stop crying and Mr. Cherry was full of laughter.*

*To Mrs. Cherry, Dana and the entire family, I pray that you find peace, comfort and a cup of laughter to brighten your spirits. Mr. " A.Z." Cherry, you will truly be missed and I know that you are smiling and laughing up in heaven and proud of the beautiful legacy of laughter that you bestowed....Rest easy Mr. Cherry.*

“ I've been putting this off for some time now because it hasn't truly struck me that my grandfather is gone. I love you with all my heart Grandpa. I have become the man today with your guidance and all the lessons you taught along the way. I am forever grateful to have grown up around a family oriented man and I hope to be half the man you were as I grow older. As the oldest grandchild I will make sure to continue your legacy and never forget to put the family first. It upsets me that you won't be with us physically at my graduation but I know you'll be there in spirit. The initials AZC mean a lot more to me now and I will do everything in my power to make sure this family continues to be great. I know you're watching over me and I will continue to make you proud. Love you OG forever.

“ I've known Deacon Cherry about one year and during that time, he has always been a humble and gentle man. His words always encourages a smile while warming my heart. I looked forward to our brief conversations after service. My wife and I both feel a great sense of loss but we know this is all an intricate part of the Lord's plan.

*Isaiah 57:1-2 ESV*

*The righteous man perishes, and no one lays it to heart; devout men are taken away, while no one understands. For the righteous man is taken away from calamity; he enters into peace; they rest in their beds who walk in their uprightness.*

*Deacon Cherry Sr., enjoy the place that our Lord and Savior as made for you. Until we meet again on the other side.*

“ To My Dear Family,

*It is so hard to find the words to express what we actually feel in our hearts during life's difficult and unexpected moments like these. Yes, people say that death is inevitable; however, we can never prepare for it. Cousin AZ had THE MOST biggest and brightest spirit of anyone I knew. No matter when and where I saw him he would grab me, hug me, and say "hey Tonk Tonk" (his short version of Toni). My heart aches for sweet cousins Lois, Flip, Tina, Tracey, and Dana (my dear sister and classmate) and those precious grandbabies as they navigate this unimaginable and unexpected loss. Please know that your village is lifting you up and prayer and sending vibes of love as we continue to practice social distancing. This is certainly a challenge for me because I love to hug, visit, and whatever else it takes to show love and concern but God will certainly see you all through this season of grief and he will see the rest of us through these tumultuous times. God's presence is BIG enough to be everywhere at the same time and I am so glad He is omnipresent. May you all feel His strength and peace like never before.*

*My 95 year old grandmother Ruby recalls how she was peeking in the room when the midwife was bringing you into the world, and was run outside after she was caught. She feels a great sense of loss as she said she feels like you all were raised up together. I am sure that I say this on behalf of the James and Ruby Brown family, that we are here for you our dear family and are most certainly keeping you in prayer. Cousin AZ, you were a great family man and you loved YOUR people-ALL OF THEM. May you take your peaceful rest and we will speak of your lasting impacts on our lives upon our ever remembrance of you.*

*With Love,*

“ I love you grandpa and will never forget the times Alex, Austun, & I spent with you. Every visit over the summer and each holiday. From fixing our bikes, helping you clean the church, riding around in the trunk of your Ford Ranger truck and laughing every time someone would end the prayer and you would have a joke or something to say to end prayer . You would joke with everyone. You were always in good spirits and never down which taught me over the years to smile, live my life being positive and treat everyone with love and support. I’m thankful to have been with you last Sunday one more time before you went to a better place and I am blessed to spend 20 years with you watching me grow into the man I am today. I’m at peace knowing you rested next to grandma and it is our turn to take care of her which I would be honored to do! We all miss you and God knows what he’s doing with everything going because the service would’ve been packed if not for Corona but the celebration will be x2 through the roof after this virus subsides! 🙏🙏🙏

“ This is my second message to you grandpa. I just wanna thank you for being in my life for 15 years I never thought I would miss someone who smoked so much. I’m going to miss you paying me \$5 or less every time I do something for you that’s worth more than \$5, I’m going to miss my sister touching your soft hair, I’m going to miss you and grandma arguing every second of the day, I’m going to miss your whistling, I’m going to miss every thing about you. You the only person that has died so far I’m my life that has made me cry. I’m also going to miss your after prayers. Whenever we prayed you always had something else to thank god for, I’m going to miss you telling me and dad to do pointless things like pick up 1 stick in the backyard but if it’s one day I thing I’ve learned about you in my 15 years of living is that you cared about any and everybody. The night before you passed you where asking grandma if she had ate. Even to your last breath you where making sure people was ok. I’m your last 30 min of your life you even took the time to wave goodbye to one of the people next door. It’s almost like you knew the time was coming and just had to talk to one last person. Finally you decided to lay down both literally and spiritually. It’s going to take a while but I’ll recover from this. I will never forget you grandpa and I love you.

Thank you for picking me up from school all those times, coming to grandparent's day, driving me and Grandmommy around, fixing our bikes every time we broke them, making me oatmeal for breakfast, letting me watch tv even though you wanted to watch the news, turning the air conditioning on during the summer (which you would never do), and most importantly always being there when I needed you.
