“ I am so sorry for your loss. I pray you find comfort from God's word The Bible to endure this difficult time. Rev 21:4 speaks about a time when death will be no more. Soon we will all be reunited with our loved ones for an eternity. (John 4:28-29)

“ I first met Aaron years ago when he was in Ft. Worth supporting system testing for Lockheed. From my experience Aaron was a man of character, faith and great work ethic. I can only leave these words of “encouragement” for his family. (I know for certain that we never lose the people we love, even to death. Their love leaves an indelible imprint in our hearts and memories. We find comfort in knowing that our lives have been enriched by having shared time with him on his life voyage.)

“ I worked with Aaron for many years at Lockheed. He was a man of strong faith and character, great intelligence and work ethic, and a subtle but very smart sense of humor. His absence will leave a huge hole in our hearts.
