Tribute Wall

“ *Ms. Tina is resting in the arms of her creator. We truly loved her, But the Master loves her the most. She is a flower that will always bloom inside the heavenly gates. In our hearts we will always hold true the memories of her laughter, good food and good times she shared with us. Thank you for sharing your life with us. Rest now Ms. Tina, just rest. We all must travel the road that you have taken. When we do, we will rejoice in heaven as we meet again.*
