“ I am saddened by Alicia's passing. I was on the other side of the room in cases we brought against Alicia's company. Alicia was the most "feared" of all of our "opponent's" witnesses as she was forever honest, intelligent and conveyed understanding and compassion like no others. She was a great woman and well thought of by all of the consumer advocates that were lucky enough to meet her (or unlucky enough to face her).

“ My thoughts and prayers are for the Fluellen and Dixon Family, I know this is hard for you. Lisa was so kindhearted, she always walked with my family through our issues. We met at Dixon Grove Baptist Church and became sisters at heart. Always telling me about the joy in her heart and proving it. She always laughed with me about being from California and trying to adapt to Southern ways. She visited my Mother when she was ill. I will miss her joy and kindness. She was so important to our world, she will never be forgotten. May you find comfort in the memories you shared with her. Missing you Lisa, Rest in Heaven.

“ My deepest sympathy to the Fluellen and Dixon family. I'm praying comfort and strength for the family.

Lisa was my church member at Dixon Grove Baptist church in Jonesboro, GA. Lisa was our leader of The Pastor Support Ministry. Lisa was also my close friend and I will miss her very much. Lisa is a very kind hearted person. She also had a beautiful spirit. A laugh that you will fall in love with. She was a very friendly person. We have lost a great inspirational spiritual person. It is hard to go on without Lisa; but I can hear Lisa telling US it will be alright. Missing my beautiful Sister Lisa in Christ!!!!

*To the Family- I send my heartfelt condolences, prayers and comfort. I had the opportunity to work with Alicia at Equifax. Most recently I had the opportunity to see her last year at a Birthday party. She still had that same high energy and spirit everyone loves. I just pray for God's love and mercy, embrace all those whose hearts overflow with grief.*

“ Alicia, well done, good and faithful servant; you were faithful over so many things and God has allowed you to enter into His joy! My earliest memory of you is inviting me to come to your church including providing me with the address and since that time over the span of 25 plus years, you have exemplified the love of Christ to me and every other life that you have touched. You are, (and I intentionally use are because you are alive in my heart forever), a true example of love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness, and self-control. Girl . . . you did this life, and you did it well. You set the bar high. Well done my Sister, my Friend, my family, my confidant, my cheerleader, my adviser, and my corrector. The Baileys love you and will miss you always. Rest easy, my friend, rest easy . . .
