Coach Duffey

*You were like a grandfather to our children. It seems so unreal..... You stayed, on top of Zykeil about those grades and you always had a kind word and big hug for Morgan..... Even though the children were in sports and we were there to support them..... My husband was there to see you give the team Hell and quote your favorite saying "Help me understand"!!!!
You are missed dearly..... We will miss you R.I.P. Coach Duffy!!!!!! Morrow Middle will not be the Same without your presence and voice lingering throughout the halls and gym!!!! Your legacy will live on..... Rest on coach Duffy, Rest on!!!!"******

“ *Coach Duffy was and is an inspiring man of God. He loved my daughters very much when they went to Morrow Middle. He protect them as if they were his own. Coach Duffy was known to us as Uncle Duffy. He always had a hug to give to them. He asked about my girls all the time. I loved him so very much. He didn't play around with kids disrespecting me or my bus. He was a very stern man but loving way. I'm gonna miss you Uncle Duffy. To the girls and the Misses. I am so sorry for your loss and I pray God will help you through this even though it is going to be hard for us also. I am here if you need me and he will always be part of my and my kids lives. Until we see each other again. GOD bless you*
