Hello my beautiful sweet Mother. I really miss you and I can't express the hurt from missing you so. You are the best thing that ever happened to me. God blessed me with such an amazing and Godly Mother. You are truly what a mother and a woman of God is. That is all the way you. I know that God needed his Angel and that was you. I will never forget you. You will always be my whole life. Thank you for teaching me on how to love and worship God. And becoming the woman that I am today. This is not goodbye but I will see you soon. Love you momma.
