“ *I wasn't Mrs. Jackson's biological daughter, but I affectionately called her Mom. I loved to make her laugh. She would ask Ava, "is Lisa still crazy?"... my answer would always be, "tell her yes!" Seeing her face still brings a smile to my face. You will be greatly missed, Mom. Elder Alicia Wright, Pensacola, Florida.*

“ I loved Aunt Lena! She was not my biological Aunt but she treated me as I was one of the family. Her love and compassion for family always moved me. She will be dearly missed. May God offer peace and comfort during this trying time to the family.

“ Aunt Lena engraved a spot in my heart. Cousins you have been more like brothers and sisters to me because your mom was more like a mother. Truly going to miss the times we shared together on her bed watching TV or on the computer. I'm also going to miss her trips to Florida and my errands to go get her Seafood. One of my favorite memories is of her looking outside to the door with the biggest smile on her face watching my grown nieces and nephews playing ball in the street. I thought look at the love and contentment on that face like a little kid and it made me smile. My friends and extended family grew to love her just as much as I did. She will truly be missed, my heart aches, but only happy tears. Cousins you know you have all of my love ❤️.

“ Your mother will be terribly missed. She was loved by all of us and she will be cherished in my memories forever, best neighbor ever!!!! She loved Iona Drive, but take comfort in knowing that she's resting in the arms of our lord.

“ Yes, your mother definitely was a special lady! I have so many great memories of her as my lifelong neighbor. Thank you all for sharing her with me. I loved to watch her care for flowers in her yard. I recall seeing her walk up our street in her high hill shoes after getting off work. She was classy too! Your mom's wisdom was to be admired and I must say she shared a few of her testimonies with me too. 🙏
