“ *Condolences to the family, we're praying your strength in the Lord. We know things look dark right now, but joy will come again. Rosetta was a beautiful person who seemed to make an impression on everyone she met. I loved her personality and her sense of fashion! You will be missed sweet lady! With love, Chris & Tiffany Thomas and family*

“ Just a few words of condolences to your family, I know they will truly miss you but time and the strength of God's loving presence will outstand the test of any sorrow that we endure this early, you fought a hard fight no more sickness or stress of bad Dr's report we will miss your smiling and joking around and cutting up God had a plan that included you. May your soul rest on the everlasting arms of God love VIP (Vivian Ball)
