“ *Mrs. Reese was my history teacher. She was wonderful in many ways, but what I remember most is what a proud mom she was. Since the 11th grade I've always had to root for Vandy because I knew her son went there. She blessed so many. Condolences to the family*

My Condolences to the family, She will be missed by many, but never forgotten by ME..I will miss getting that kiss on Sunday, as she sits right down in front, next to the pew, greeting everyone as we march for offering, and tithes..She will always be in my heart..❤️😭

“*Mrs. Reese was one of my most beloved teachers, and my daughter, Natalie, was one of her students, too. I still use the chip and dip set that she gave me as a wedding gift 42 years ago and I still received a treasured Christmas card from her every year. She was just such a special teacher and expected excellence. I always admired how proud she was of her husband and children. She will be missed by many.*
