“ Auntie Babs could do the BEST hair roller set ever and made the best Campbell's Pea Soup. And, she helped my Mom on countless occasions lift my sleeping 6 year old body up the stairs to bed (but I was pretending to be asleep at the time so I could macco the conversation.) Carlene

Aunty Babs I cannot remember when your quiet, steadfast, loving presence was not a big part of my life. I fondly remember spending weekends with you in Santa Cruz, helping you bake, and me learning what good food really was....those cheese puffs, and tarts GB were the best. Your nurturing, patient spirit always made me feel so special, and unconditionally loved. GB, words cannot express how much I will miss spending time with you. From reading Bon Appetit magazines with you, to exchanging "good books", drinking cocktails, sharing recipes, and planting flowers. The garden we just recently planted, is blooming now. I will always remember coaxing you downstairs to plant flowers, and you tossing the bulbs from the chair, telling me where to plant them. Even though I knew, and accepted that your time was winding down, I would have never imagined how much that time would eventually mean. You will always be right there with us GB, right there in your flower garden. I will not only take care of them, but will look out for your "Baby Boy" as well.

On that note GB the "crazy one" is sadly bidding you a farewell from deep, deep within. You were a godmother like no other, you came, nurtured and loved like only you can. I will be eternally grateful for you, showering me with your sage, kind words, and countless thoughtful deeds. Even though you lovingly referred to me as the "crazy one", you never failed to remind me how special I was to you. Aunty Babs from the bottom of my heart, thank you. Thank you for your unconditional love, support, and meaningful presence in my life. You were always one of my biggest cheerleaders, reminding me how bright and strong I am. So, here's are a few of your words of wisdom that I will share with the masses -

"Let the jackass bray"

"The only thing smarter than a smart man is a smarter woman"

"A good book, is the precious life blood of the master-spirit".

" When yuh in good house, bad house will call yuh".

Aunty Babs...GB, I will always love you and miss you. Until we meet on the other end, "your special but crazy girl" thanks to you, has countless fond memories to get her through the tough times. Ten kisses, and always ten more for you GB!! ❤️
