Condolences to my classmate C/O '81 Bridget and her family. When I think of Ms Reddick, I think of her kindness, her smile, and her genuine love for all of us at school during our most important years. I and many others that had the pleasure of knowing her, will carry that memory forever. May she now rest easy in Heaven. May God continue to bless of her loved ones as they mourn her loss! 🙏

“ *Mrs. Riddick, I do not remember when we met because it's like we had always known each other like family. I met the Riddick's family thru Bridget and it was one of the best things ever happened to us. She was one of the nicest, kindest, funniest, straight-up , God-lead spirited person I have ever met. She would kd tell you the truth and she didn't play with you but she would be right. I will always love and treasure our time together. I am so glad GOD put you and your family in our lives. You was a bright in a dark world and a mother for your children and grandchildren thru and thru. Your wisdom was so clear , direct and always need!!! Love you, Ms. Riddick!! I am in so shock!!! Thank you 🙏❤️💙*
