“ *Momma Bernice, thank you for loving me and making me feel like family. I know you always thought my sister/bestie, Lori, and I were the same age no matter how many times we told you different. Lol! That means you saw my maturity. Your leaving has left a HUGE void, but you are now resting from the troubles of this world. I love you dearly. Rest well! To my Sisters and Brothers, I am here to hold you all up. Love you all to life!*
