“ *Mr. Bobby was a great friend and neighbor that loved everyone. He would do anything to help everyone. My condolences goes out to the Jackson family. He will be truly missed. I always looked forward to him coming over to feed the horse and donkeys. He would always take the time out to ask how his Will and Mady was doing. There will never be another Mr. Bobby like him. We loved him and will miss him.* ”

“ *This news saddens my heart even though I know that Uncle Bobby is a true saint in Heaven as he was here on Earth. I close my eyes and can hear his laugh and see his smile.*

Although he is my grandfather's brother, I am no kin to him nor William as I only claim Aunt Margaret as family. To sooth my heart I would like to think that him and "Buddy" are together again possum hunting in the graveyard at night just like in the stories that they always told.

May we all continue to live in the righteous ways of the example that he set forth for us.

You are a true legend for the family's book as you will never be forgotten.

*With love,
"Buddy Jackson" (It)*

“ Bobby was everyone's friend at Kroger Warehouse. He taught most of us how to do the job and do it right. I had the pleasure of hanging out with him a few Months back at our Retiree lunch and we had a blast telling old stories! This true Gentleman will be missed. God bless and heal the family in this time.

Thought about you knew I haven't heard anything from you and this confirms my thinking. I've learned a hell lot from you working at Kroger from work to life. Cobb

“ Dec. Bobby Jackson was a child of God! He loved his wife and family because of his love for Jesus Christ! It was a piece of cake to him working for years as chairman of the deacon board at Kelley Chapel Baptist Church McDonough, Ga. and sharing Jesus with churches and organizations in McDonough Ga and in Ga. He spent time assisting with neighboring church; God Life and Living Holiness Church of Jesus Christ and really so many more churches in the state of Ga. He was an outstanding family man. Married to Margaret Jackson for a little over 70 years with a large family and friends including horses, chickens, dogs and cats 😊. We will miss him. God bless!
