“ *Pippy was my good friend. We would talk about fishing and just things in general. Pippy loved his family and friends. I'm really gonna miss sitting on his 5th St porch and talking with him. He did a great job when he put in the pool and deck in back of the house. U just don't find honorable, kind, & decent brothers like him anymore. Pippy was a great brother from another mother. To his family known and unknown u were blessed to have had him in ur life. One funny note, I gave him my shot glass one time to have him try a new drink I had been turned on to and he drank the whole glass. I said " Man, I just wanted u to take a sip to see how u like it." He replied that he just takes big sips! Funny brother, kind hearted brother, good brother, my dear friend, Pippy! RIP. Kent Blair*
