“ *Lord have mercy! Carol is going to be missed. I met Carol when she worked at Popeye’s over 12 years ago and invited her to join our team in CCPS. She started her position at Northcutt ES and remained there for a number of years. Every time I saw Carol she would welcome me with a smile and friendly hug. She was a good and dedicated staff member who will be missed by all who knew her.*

Rest In Peace Carol! You are absent in body, but present with our Heavenly Father. We will never forget you!

“ Ms Carol its so hard to say good bye to a lady with a sense of humor that you would have to know her to appreciate the kind of person she was. She had a kind heart and when she found some one she really like she showed it. She daily asked about my grandson Tj and always said she was coming to watch him play football so Ms Carol his first touchdown will be dedicated to you because i know you will be there in spirit. Love you and i will miss you so much. love Latanya Carson and family.
