“ *Mr.Charlie Louis has been my neighbor since I was a little girl.He was a recluse..very quiet..a man of very few words..extremely Private...he didn't bother anyone and stayed to himself. Years later I met one of his daughters while working in Hapeville, we became friends and remain friends. Mr.Charlie's presence will be missed in our neighborhood.Our neighborhood is called the Quaters/ Fullerville .. but we referred to his address as Rock City...Deepest Condolences on the loss of a beloved Neighbor.One thing I can say I learned from him is Less is best..May God continue to comfort , keep and guide you all during this difficult time.*
