We love you so much Christian. My childhood was flooded by memories of you and your brother & all of us growing up together. Running around the neighborhood, getting in trouble, celebrating holidays together, packed car rides after school. Forever & always will you be with us. I love you big cousin!

“ This song by Michael Jackson is so beautiful but even more meaningful to me now because when I think of you Chrish (auntie Pooh's JimmyNeutron)....

*Born to amuse, to inspire, to delight
Here one day
Gone one night
Like a sunset
Dying with the rising of the moon
Gone too soon* 💔😭

Yes, gone too soon in our opinion but God wanted you back sooner. My Jimmy Neutron (a.k.a boy genius), and auntie's baby is what I called you. From a young age, I saw something so very special and unique in you! You often left me in awe with the things you could do and you were so talented, gifted, and smart! I knew you would grow up and do amazing things with your life. You made us all so proud. Everytime I close my eyes, I can picture you as a little boy sitting on the 3rd floor stairs in Providence Reserve, between your mom legs. Your little bannie feet slightly turned in with your finger in your mouth and you were the most beautiful baby to me!! From that summer you and your brother stayed with us and I was so proud watching y'all play basketball. Y'all loved auntie Pooh's cooking too lol!! Auntie Pooh admired you then and I watched you grow up; and I stayed in admiration. I'm remembering you in childhood because that's where we could protect you and keep you safe.

God makes no mistakes, but this hurts real bad. I want to hug you, touch you, and see you again. In the meantime, I'll stalk your IG pages just to hear your voice, see that beautiful smile, and remember you in your finest moments. You will always shine so bright in my heart and in my eyes Chrish. Heaven couldn't wait for you. May you rest peacefully in his arms and walk hand in hand with Jesus Christ! I will forever miss you! You are forever loved nephew!

“ *For My Son, DADs HURTS TOO!*

*People don't always see the tears a DAD
cries.
His heart is broken too when his beloved child
dies as
He tries to hold it together and tries to be strong.*

*Even though his whole world's gone wrong.
He holds on to his wife as her tears fall.
Comforts her throughout it all.*

*He goes through his day doing what he's supposed to do.
But a piece of his heart has been ripped away too.
So when he's alone, he lets out his pain.*

*And his tears come down like pouring rain.
His world has crashed in all around him.
All that was bright has gone completely dim.*

*He searches for answers but none are to be found.
Who offers to help a DAD up
When he's hit the ground?*

*He smiles through his tears and fears.
He hides behind a mask when he is feeling down.
But what you see on the outside is not always real.*

*Men don't always show how they really feel.
He feels he has to be strong for the family.
The next time you see a mother hurting over the loss of her child,
Always remember, a DAD hurts too.*

“ *Thank God for allowing me to be your father. Such a blessing. You were such a special person and beautiful soul. Holding you and rocking you to sleep as a child is unforgettable. You running up to me when I came to the house was our bond. My chest hurts because my heart is totally broken. I know God don't make mistakes but I personally feel he did on you son. Maybe it's my love and grief for you that has me upset. Again, I do thank God for all the memories and moments we shared. You will always be Loved and never forgotten. Love you forever Christian! Please save a seat for me. ❤️❤️❤️*

“ Thank you for being one of the best godbrothers my son could ever have. I will forever hold in my heart the very last conversation you and Hayden shared. From the hugs that you both shared, down to the big bright smile Hayden had on his face when he laid eyes on you at your mother’s wedding. All Hayden kept saying was look at my brothers. The love, laughter, and memories you two shared are treasures we’ll hold onto forever. You weren’t just family by title — you were his brother in every way that mattered. Losing you leaves a hole in our hearts, but your spirit will always live on in the moments we remember, the stories we tell, and the love we continue to carry. We miss you deeply, and we’ll never forget you.

*It's not goodbye, it's see you later !
We love you !
HAYDEN, Ari, Jasmine and Marcus !*

“ *A Tribute to My Beloved Nephew, Christian Monroe*

*The call came sudden—a cruel surprise,
"Your nephew's gone," the voice implied.
A car, a crash, a life cut short,
Leaving us with shattered hearts.*

*Smart, handsome, kind—so true,
Sharing your brilliance, humbly too.
This is how I'll remember you,
For all the days I journey through.*

*Your laughter once filled every room,
Your kindness chased away the gloom.
A joy to all who knew your name,
A light that never sought acclaim.*

*Now in our hearts, your memory stays,
Guiding us through the darkest days.
Though you're gone, your love remains—
A balm that soothes our deepest pains.*

*We thank God for the gift of you,
A nephew cherished, pure, and true.
Rest now, dear Christian, in God's embrace,
Until we meet again, face to face.
Goodnight.*

*Love Always,
Auntie Nikki and Family*
