“ Claude McKenzie Campbell is my namesake. I am Claudette Campbell his daughter and loyal fan. However, thier are many who can say that he became many things to those in need of a helping hand. What a resilient man my Father was. I have much to be grateful for. His was a hard worker that was motivated by being an Awesome family head. More to say, but I will reframe for now but I will pick up from here at my Dad's Memorial. Stay tuned....

“ I remember back in the 70s when I first met Mr. Campbell through his daughters Claudette & Cassandra in the Bronx and he invited a few of us kids on the block to the beach or pool along with his girls. And after he treated all of us to McDonald's which I was in awe of. That kind gesture from someone I just met left quite an impression. Then many years later I was reintroduced by his Step Daughter Jackie (my best friend may she R.I.P.) I was welcomed in The Campbell's home to celebrate with them many Thanksgiving dinners, BBQS and many other events and celebrations as they became my extended family. Mr. Campbell was a very loving husband, Father and Grandfather who loved and adored his family and I could see the pride he had around them. It was an honor to see and be a part of. He is home now with the Lord and I pray his family has comfort knowing that. Sleep In Peace Mr. C. ♡

*Thanks for sharing Paula. There are countless times I remember that Daddy would round up our friends and cousins to take an impromptu trip to the nearby attractions. I know that he shared young peoples' adventurous spirit and he was generous to. Everyone always got a slice pizza or other treat. You knew that if our friends were important to us, they were important to him.*
