*I'm so glad I had a chance to sit with you Cliff in November. We had a great time reminiscing. We even had a couple of orange slices. I'll never forget the best birthday party you gave me. Thanks for being a true friend, a great Father, a wonderful Grandfather and a genuine good person. God bless. Deepest condolences and sympathy to the MOSLEY FAMILY. ❤️🖤💚🤝🤝🤝 Albert L. Wilkins Jr.*

“ Love you daddy, and miss you everyday. We have not had one day pass us by that we have not thought of you. I do not think we ever will. Let your light shine bright in heaven daddy. We will see you again one day when we get to the other side 🙏❤️. That is my prayer.

*We Miss you daddy. Marcus your baby boy, is trying to move forward as you would pray for him to. I'm standing right beside him daddy. I'm going to continue to support and be there for him always daddy. But sometimes I fail with lifting him up because I miss you so much that it just breaks me down too. But overall we are staying on the wall daddy, just like Jeremiah did in the Bible. Thank you so much for being so kind to me daddy all these years up to your last breath. And teaching us how to love one another even through trying times. You said when we place God first and include him in on every step of our journey in this life, he keeps us all strong, confident and blessed ☐ Thank you so much daddy. Pray your first birthday in heaven was more than you could hope for when here on earth. 🥹🙏❤️*
