“ Quiet, loving, caring, thoughtful, hardworking and devoted are just some of the words that would describe Sonny. He was a man of few words, and didn't like to be the center of attention, but always made sure that everyone had what they needed, even before himself. Sonny did not have any children of his own, so his step-children(Michael, Eric, and Sheneka), grand-children(Tierra, Michael, Tianna, Cierra, Eric, Jalon, and Ondre) and great grand-children (Jonathan and Messiah) were all considered as his children. And if he was here with us today, he wouldn't want us to be sad. Instead, he would want us to focus on the happy memories, and joyful experiences shared throughout the years. Your presence will be truly missed, but your spirit will always be with us. You are loved and will be truly missed. Rest easy. 🥹🥹

“ He was such a delight to have around. He was the sweetest man I ever had the pleasure to care for. Our time was brief Sonny but I felt how great of a man you were. It hurt to see you in such pain. I'm glad you are free now. Trust me when I say you are definitely missed. 🥹

“ Words can't express how I feel right now But to know your at peace walking around Heaven with the Lord makes it a little easier. Even though you had no biological children, we were your children and you always treated no other way. You were a Great man GOD-Fearing Man, Someone that walked with the Lord. A Great Man with a big heart that love everyone. Never once complained about anything ! You helped everyone you could... I remember when you and mama took me to the mall when I was 16 and mama was upset because you came out with 2 baby parakeets that you brought for me lol.... And mama said Sonny , you brought her some birds ?? And that wonderful memory will forever be on my mind. There was nothing that you wouldn't do for us and your grandchildren and great- grandkids. So as I write this message with tears rolling down my face, and the pain that's filled in my heart ... I'm happy to have know such a Man and glad that you were a part of our lives. Rest easy and just know that we love you dearly and miss you so much. Love you always 💙 From your Step-daughter Necee
