“ *Not only Denise was my sister, she was my best friend. Both her, my brother and myself have been through so much throughout the years. God had kept us grounded, in his holy word. Sis you're dancing in heaven, and the memories we created will lived on forever in our hearts.*

“ *My heart is filled with a sadness that words cannot explain. But my spirit is elated to know that an angel lived among us and touched my life in a meaningful way. Her charisma, her beauty, her smile and her absolute love will always resonate with me for the rest of my days. My prayers and love goes out to my family. I was adopted into a family that is extraordinary with arms wide open. My sister, my friend I will miss your presence, your love and your caring ways. I miss the pep talks. We will carry on your legacy because you have left an imprint in our hearts.*
Love you always, Nadine RIP
