

Diana Joan Defour

September 3, 1954 - April 18, 2015

Diana Joan DeFour was born in Maraval, Trinidad to the late Eldica Sybil DeFour and the late Luke DeFour on September 3, 1954. She was the fifth of eight children. She graduated from Central High School in St. Croix, VI and later completed a year at NYU. She also attended MedVance Institute for medical coding and billing.

Joan previously worked for Delta Airlines as a Reservation Agent. Most recently, she worked at American Express as a Travel Counselor. This job was a perfect fit for her because of her passion for travel. She visited Dubai, Morocco, Paris and a number of Caribbean islands.

Joan was a good server to the lord. She was highly spiritual and was like her own church. She loved her culture, especially carnival. And she loved music, above all gospel and soca. She also loved her family. Joan relentlessly tried to get the family together, especially during her favorite holiday of the year... Christmas. She finally got her wish. Unfortunately, it is under these circumstances.

Joan leaves behind her children: Naylor, Irving, Nigel and Nakita; her grandchildren: Destiny, Nigel Jr. and Maxwell (who is on the way); her sisters: Irene and Patricia; her brothers: Lloyd, Christopher aka Aswad and Luke, Jr.; her in-laws: Steve, Vicki and Lydia; her best friends: Julie and Nicole aka "The Golden Girls." She also leaves behind a number of nieces and nephews who

love her dearly.

She also had two other brothers: Louie and Kelvin and another daughter, Shari who all are no longer with us.

She was an awesome daughter, mother, sister, aunt, cousin and friend. She comforted those around her. If you needed a counselor...she was there. If you needed a best friend...she was there. If you needed some-one to lend a listening ear...she was there. She was selfless and she never expected anything in return. Although she will be missed, she will always remain in all of our hearts. May you rest in peace. We love you.
