“ We grew up together like Brothers, even called each other Cousin... You were always finding ways to create music throughout our childhood...that's why you were supposed to be my D.J. You passed that music bug down to your kids, Zay doing it, Skinny Jr got it in him. I just want you to know how much of an impact you've had on so many people's lives....I Love You Cuz and miss you already...till we meet again...Rest Easy Skinny....
