“ We met late in life, but Uncle Tony's stories, love, and laughter quickly became treasures to me. His warmth and the joy he carried will always be remembered. Though our time together was shorter than I wished, his memory will stay with me forever, a reminder of the bond we shared and the light he brought into my life.

“No matter how much time passes, I can't let you go, Dad. You were my hero, my guide, and my safe place. I carry your love with me every day, and even though you're gone, you'll always be here—in my heart, in my thoughts, in every breath I take.
