“ I am so very sad to come across this! Dorothea, Kenneth, & Armond lived next door to us on East Mays Road when we lived in Stockbridge several years ago. Such an awesome family! I clearly remember the day Kenneth died. Dorothea was so devastated...and so was Armond. I remember that Armond used to play guitar and my son would sit outside and listen to him play. When my youngest son was born, Dorothea came over and anointed him with oil and prayed for him. She was a great lady and the world has lost a very special person. ❤️

“ *Armond, nothing can prepare you for a loss such as this. I lost my mother some 20 years ago and when I think of her and her unconditional love I am filled with an emotion so strong that I am overwhelmed to this day. Stay strong and wrap your self in the armor of her loving memory. Those times when you need it most she will be there in your memory to give you strength and resolve.*

“ Mrs. Lemon was a wonderful beautiful prayer warrior. She loved her Lord and Savior. She loved Armond more than life itself. I loved hearing her laugh, sing and pray. She meant so much to my family. She prayed with us, laughed with us, cried with us. She helped us in so many ways. I will forever be grateful for having her in our life. She was an awesome teacher to my children at Mt. Vernon, she was a sweet and special friend, encourager, teacher, prayer warrior all rolled into one. I thank her for loving my children, my family. There is truly a special place in Heaven for this beautiful lady. As excited as she got just talking about our Heavenly Father, I cant even imagine how excited she was to finally make it home. How many times she said this place is not my home. How many crowns she must have in Glory Land. In the words of Mrs. Lemon Hallelujah !!!!!
