“ *Aunt Elaine, I remember when I came to Ocean City for a mini vacation and I just knew I had to see family before leaving. It was me and my two little guys. I called you up and you said you would meet me at the park where we had our failmily reunion years ago. I said I remembered the park and would be there. You were there waiting for us and I followed you back to Berlin. That was our last memories together. You will truly be missed! To me this does not seem real. May you rest in power and be the angel God called you to be. 🦋🙏*

“ Elaine was such a fun Aunt; always protecting me and was more like an older sister to me than an aunt. She will be greatly missed.

“ It was pleasure to see my Aunt Elaine at my mom's house on May 25, 2023. Both of them were happy and full from dad's cooking breakfast. Only The Lord knew that would be their last earthly reunion. They reminded me of 2 sisters of their youth talking trying to figure out what each one was saying. Remembering back to her spiritual conversion I witness a happy joyous Aunt Elaine. I will lovingly remember you!

“ My heart is sad but I know that God does not make any mistakes. Elaine was my one of my favorite Aunts. She was like a second Mom to me. I affectionately called her Auntie! She was always there for me and I appreciate everything she did for me. I have many fond memories of her especially her spunkiness. I am grateful for the time we were able to spend together. She will be missed but never forgotten. I love you Auntie!❤️

“ Elaine was my sister and had such a kind heart. We grew up together and she always took up for me when I bullied in school. We used to go crabbing together when I would go home for the summer. I will miss her dearly.

*Elaine and the Family were my next door neighbors for most of my life, We were Cousins and Playpals.. I'm deeply Saddened with Her demise.... In our adult lives We'd meet time and again and the relationship We shared was Always at the forefront. My Sincere Sympathy and Condolences and Prayers go to "Family Jarmon"...I'll always remember the baseball games, the Tomato Factory and All times we spent together on The Avenue and Branch Street... May GOD Bless and Comfort Her children, Grandchildren and Sisters and Brothers.... We are Family*

*I have so many memories of Elaine. We grew up in the same church, St Paul United Methodist Church, Berlin - Sunday School, and MYF. She visited our family often and we would have so many laughs; she would always let us know she loved us.  
To her children, grandchildren, sisters, brothers and other family, know that I am praying for each of you.  
Earth has no sorrow that Heaven cannot heal  
I love each of you
