Thanks Gloria for your kind words. Thanks also for stopping by the church and sharing your love for Momma with our family. You truly have a special place in Momma's heart also. She spoke often of you and those "excursions" you all would take. My husband and I had the privilege of traveling with you all a time or two. It was an enjoyable experience for us so I know why Momma had such a good time. Please continue to keep our family in your prayers as we have truly lost a major part of us.
