“ *My, Beloved! Wow! You left us! My heart is in pieces. One thing I know for sure and that is YOU LOVED ME and you made sure whoever knew. I certainly knew! We shared some of the greatest times and conversations about any and everything. Such a sweet soul you were. I'll always hold you close to my heart, Momma. I'm grateful your children accepted me and shared you with me. I knew by this weekend I'd be feeling better and had plans to visit today, but God had other plans for you. Thankful you're free from sickness and pain and you're now united in death with your Honey. I love you sooo much, My Sweet Girl! I'll be looking for you on that great gettin' up morning. I know you'll be looking for me too.*
