“ *Angela and Family, my most fond memory of your beloved EA is when he and Tim took me and my children home one night after you all had baby - sat for me because my car had broken down. All EA talked about was how much he truly loved you all and how special his wife was to him. His love for you all will survive forever because pure love like that is God made, heaven sent and perfectly eternal. May God keep you all focused on this and safe in His everlasting arms.*
