“ *Eula! I went to visit your mom, Emmett, Johnny Lee, your grandparents and Georgia today 09 Nov and my heart sank when I saw your grave : (I live in Texas now but back and forth a lot over the many years and always go by to hang out with and talk to your mom ... often with a coke and peanut butter and jelly sandwich as she must have made me a million over the years to include my Navy days! I miss those days when you would baby sit for Nancy and myself and you were always so kind and good to us! Never a day goes by that I do not think about your great loving family. The best days of my life! and your mom was like a mom to all of us kids on the street. I can't thank you enough for being so good to our family and I am so very sorry I never saw you after those days so long ago. My Prayers to you and Blessing upon you and your family always. Our Love to You Always ... Scott Holloway with Mom (Polly) , Dad (Byron) , Nancy and our home! plus Bruno and Herman our doggies back then:) Amazing Grace! Amazing You!* ”
