“ *My friend in pink
I wished you stayed
I can't believe you've gone away*

*I miss your
phone calls late at night
I still can hear you saying, girl you just aren't right*

*Friends like you are rare and few
Your kindness and
generosity always shown through*

*Our endless fun
Your infectious laugh
Your love for Sasha
These memories will last*

*Now God decided it was your time to go
We're left behind in deep sorrow*

*Although from this life you now have part
We'll always keep you in our hearts*

I miss you my friend, rest in peace

“ My sincerest condolences to the Jordan/St Pierre Family. I can remember back as far as the very first time I saw/met you, Niecy - walking up my family’s walkway to our house to meet, Roberta (my sister). I remember the patched style leather jacket you were wearing - I guess I remember all of that, because I thought you were a cutie 😊 Anyways, we went on to become lifelong friends - our entire family. I’ll miss your smile and the laughter we shared!! Until we meet again, my friend. I love you, Fancia 🙏🌸🙏 R. I.P.
