“ Flo Jo was amazing. She enjoyed life. She always had a warm smile and a gentle soul. She was a great cook and enjoyed watching everyone eat her masterpiece meals. She was very competitive when playing games and she won most of time as well. She was loved and cherished by her family and many friends. She will always be remembered. Love you Flo Jo ❤️

My sincere condolences to my family. I've known Flo for only 5 years since moving to GA. She was one of the first person I met at Heritage Senior Center. We quickly bonded. She welcomed me to visit her home. I tried to be with her and her family as much as I could. Flo, I love u.

Ms. Flo, though I knew her for a short time, left an unforgettable impression on me. We met through Yolanda and playing games. Ms. Flo was one of the most competitive people I've ever known ... and she always won. Rest with Jesus, enjoy your heavenly mansion and walk those streets of gold.

I have known Flo for many years. We met as co-workers and became friends. She was a true friend. She affectionately called me Gracie. Flo loved to cook and I loved to eat. We were also travel buddies. We share so many good and funny memories. I was sad when she left New York. Flo had an infectious smile and was loving and caring. She loved life. What a positive attitude she had and could make the best of any situation. To know her was to love her. She will be sorely missed by many. I will miss my "girlfriend".
