“ *I only have fond memories of Fred. I met Fred about two weeks after meeting (my husband) Herman. He was working at H Salt Fish n Chips. Herman and I would go there at least 3 times a week. He would load us up on shrimp and fish and I fell in love with him! He was one of the most thoughtful and caring people I met when I moved to Atlanta. One day I broke down right in the middle of traffic and Fred left his job to come to our rescue. Before I could say thank you for coming to help me, he asked, "Is there anything else I can help you with? Do you need gas? I just stood there amazed at the fact that I should be offering to pay him for dropping everything and coming to help but instead it was as if he felt that he hadn't done enough! What an amazing human being I thought to myself. That night in my prayers I thanked God for putting such a beautiful person on this earth and prayed that there were about a million more just like him! He has been a wonderful brother-in-law to me and he will be greatly missed. Mrs. Dolly Maddox raised some great kids because I found out that they all were just like Fred! Willing to help anyone, anytime at any place! I count it a privilege to be a member of this family!*
