“ *I had the privilege to work with Gage when I first became an EMT several years back. I loved working with him. He was always positive, kept me smiling, and every now and then he would start signing. Just know that your son touched the lives of everyone he came in contact with. Gage will be greatly missed by so many people.*

*No words can express my sadness. I have known Gage for at least 10 years when he became my son Scottie's best friend. I watched Gage grow into such a wonderful man. I'm so use to seeing his story on my Instagram, I will miss seeing that smiling face. You accomplished what God had planned for you and then He took a great angel home. I am truly sorry for your loss. RIP Gage*

*I had the opportunity meet and know Gage at Chamberlain University. He was one of those faces you could never forget, nor would you want to. His laugh, humor, and personality was adored and welcomed by all. I'm so honored and thankful I was able to say I had a friendship with him and it'll be one I'll truly cherish. Always in our thoughts Gage. May you be resting peacefully with our angels above.*
