*My heart goes out to the Marshall family concerning the loss of "Skinny." He had such a beautiful spirit, as all of the Marshall family, and never missed an opportunity to make us smile. He had such a peaceful presence and gentle spirit that never wavered through the years and through the tears. Skinny was always kind, always caring, and always consistent. He and Big Boy were the perfect big brothers to all of us in Ellenwood. They truly watched over us.*

*I pray that God will grant the family the peace of understanding and the strength to hold on. Know that God is faithful and He will bring comfort to your hearts.*

*With much love and respect. - Dr. Rita Hardy*

“ To the Marshall family, these are trying times and to suffer the loss of a loved one is an additional weight to have to carry. We know that in his final days he was loved and cared for by his Mother and siblings. You did all you could do until the almighty called him home. He is no longer in pain and in a position to wait on us to join him when our time comes. We the Phillip family mourn the the loss of Skinny as our earthly cousin, but rejoice in his exit from this complicated world the rest of us must navigate every day we wake up and move forward with life and it's challenges. God bless you all and please know our hearts are with you during this time of grieving. Willie, Harvey, Curtis, Kenny, Yvonne, Gwendolyn and Earlene. The Phillip family.
