“ I met Harold while working at Crown. I was going through a hard time in life when I met Harold. His wisdom and understanding really helped me get over those trials. While riding together I met someone I could call friend. Harold is as real as they come, which is rare nowadays. He was a gift from God for those who got to know him. Thanks for the talks and sometimes when you had to set me straight. You are going to be missed. Oh yeah I'm going fishing on a boat in memory of you.

“ Harold joined our team in June 2022 and quickly became a cherished member of our Crown Atlanta family. Known for his humor, dedication, and exceptional work ethic, he was honored as our Employee of the Month in October 2022.

Harold was not just a colleague but a friend to many. His consistent performance, perfect attendance, and outstanding customer service set a standard for us all. He adhered to our guidelines meticulously, earning the respect and admiration of his peers.

His coworkers remember Harold as the life of our team, always bringing a smile and a touch of comedy to brighten our days. He was a wise and understanding man, offering valuable advice about work and life, always ready to lend an ear and share his wisdom.

Harold was more than a driver; he was a father, son, brother, and friend. His love, laughter, and joy were contagious, leaving a lasting impact on everyone he met. Even those who knew him for a short time felt like part of his extended family.

We remember Harold for his passion, his willingness to go above and beyond, and for the genuine friendships he cultivated. His presence at Crown was more than just a job; it was a part of who he was. His absence will be profoundly felt, and his memory will forever be a part of our Crown family.

As we mourn the loss of a truly remarkable individual, our thoughts and prayers are with his family. Harold, you will be deeply missed, but your spirit will continue to inspire us all. Rest in peace, our dear friend.

“ Harold has worked for me over the last 2 years and I must say, he was a very passionate guy. He did everything he was asked and went beyond that many times. I enjoyed hanging out with him and the other drivers just talking, laughing about everything from sports, fishing, and joking around about each other. Usually when you hire a worker, that usually the end of it, but with Harold, he was a friend. I would get on him about his bad eating habit, lol, and he'd smile and assure me that he was eating better. I'm going to miss him! Rest now my friend, we'll never forget you.
