“ It is with great sadness we share the loss of the passing of our dear sister Helen. Helen was the 3rd Southside Lupus Support Group Leader along with Lisa Williams and Thomas Walters. Helen was very committed to the Southside Support Group that met at Piedmont Henry Medical Center prior to her failing health. As a result of the many programs that the group had over the years, they were recognized by the City of Stockbridge during the Lupus Awareness month a few years ago. We are thankful for the legacy of service Helen leaves and the many years of service she gave to both for Southside Support Group and the Georgia Chapter. We will keep Helen’s family our thoughts and prayers and the memory of Helen’s sweet spirit in your heart. God bless the family of Helen Pitts.

“ I want to first offer my deepest condolences to the beloved family and close friends of Helen Pitts. I have had the pleasure of working with her for many years. She was a strong person, who cared for others and always willing to help someone. She also stood firm in what she said and believed in. This is still a shock to myself and all who grew to know her. I will never forget the times when I didn't have a car she would let me ride with her to lunch and we would go to Publix. Just last week we were in the break room talking about our Nissan cars. I never would have thought that would be our last conversation or my last time hearing her cute laugh. I know she is at peace now and no more suffering.

I will continue to keep the family in my prayers.

Be Blessed

“ There are no words that can comfort loved ones left behind when we lose our beloveds. We are left with their memories to cherish. At this time I would like to offer my condolences to the family of Helen Pitts. It's only been a year and a half since I met this strong yet gentle woman. She possessed a strong sense of self and refused to waver. Though it will not be the same passing by her chair and not seeing her smiling face or laughter, I will remember..... Helen has finished a race, we all must run. She is home. Rest my dear. Soar like the eagle you were.

...but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.”

– Isaiah 40:31

Safely Home

*I am home in heaven, dear ones;
Oh, so happy and so bright.
There is a perfect joy and beauty
in this everlasting light.
All the pain and grief is over,
every restless tossing passed;
I am now at peace forever,
safely home in heaven at last.*

“ To the Pitts Family and friends, I extend condolences for the loss of Helen. I have only known her for a brief time but found her to be a warm, caring and straight forward person. Cherish the memories of our dear sister and if you have to weep a bit, please do so.

Remember though, that weeping endures for only a night but joy comes in the morning. I am Praying for and with you.

God Bless You,

“ On today, I was not expecting to hear the news of Ms. Helen's passing. During the time that I have known her she was always such an influential person in my life. She provided such sound advice and always confirmed God's promises that He has for my life. It was not a day that she did not provide words of encouragement. She was a true friend that would go the extra mile. I am really going to miss our heart to heart conversations and all of the wisdom nuggets that she gave. I am truly grateful that I was able to spend these last couple of weeks with her. I will never forget the memories and the impact that she had on my life. She definitely had a love for the Lord and knew where here help came from. Thank you Ms. Helen for making a mark in my life that cannot and will not be erased. Love you and I will see you again . My condolences goes out to her family and close friends.

“ To the family and friends of Ms. Helen Pitts, I extend my prayers and condolences to you. Ms. Helen was a beautiful woman, I did not know her that long, but she had a beautiful personality, very well spoken and articulate. A diva with her dressing style, a woman who cared deeply about her clients, she is missed so much already. May God strengthen all of you at this time of transition.

“Helen was that friend you needed to keep you on your toes. She didn't sugar coat anything and her love or dislike for you was made known. She wasn't for foolishness and she hated to see people being mistreated and would make it known. Oh boy and her pet names for people were hilarious. She loved bagels and old movies ... I'm going to miss getting her those bagels from Dunkin Donuts or going to lunch for a grilled cheese sandwich and chef salad that she loved so much. I'm going to miss her calling my name from her cubicle telling me she doesn't know what went wrong just come help !! I miss her already so much but I know, I know without doubt that my dear friend is at peace for she so loved the Lord with all her heart so in knowing that I can rest and still keep her memories close to heart. For it was written on a Headstone in Ireland that "Death leaves a heartache no one can heal, love leaves a memory no one can steal." Amen, Amen. Love you Helen!

“ It was such a shock to hear of Helen's passing this morning. Knowing she still had more healing to achieve, We were so happy to have her back at work and we had the little time with her. Her spirit and hold no punches personality will be missed around the office.
May God continue to comfort the family and give them peace during this time.

“ I am so sad to hear about the passing of Helen. She was always true to who she was, and spoke her mind. Even when she wasn't at her best she wanted to thank others for supporting her. She will truly be missed.

Our Prayers to Helen family. Our hearts are sadden to hear of her passing. Her kind, warm spirit always Blessed me whenever I was in her presence. I loved her honesty & straightforwardness. I loved her conviction & her firmness in what she believed. She always was willing to go the extra mile. She attended my monthly ministry meeting & always had a 'Servant's Attitude' with a willingness to assist me or be a Blessing to any of the women that I mentor. She always enjoyed my cooking. Just last month she called on me to cater four of her favorite dishes our monthly meeting. She was hosting an 'Appreciation Lunch' to express her heartfelt thanks to her co-workers for all their Love & Acts of Kindness while she was out of work. She was so excited about expressing that to them. I'll never forget her energy, excitement, the joy & big smile on her face the Saturday she met me to pickup the food. We hugged, loaded the food in her vehicle & off she went!!! Helen was 'A Class Act'. She will be truly missed. Rev M. Helen Manuel
