“ *Life is a gift from God. Our children, family and friends are all gifts to be savored. Although some days may be full of hardship and sadness, each breath, heartbeat, and thought illustrates the beautiful gift of life. Keep the positive memories alive and thank God for the blessings. We will miss our classmate and I will miss my friend.*

“ I just remember a very special young Man who loved his family. He was soft spoken and his door was always open. When called on, he answered, when needed he was there, always went the extra mile. He brought so much joy to his wife and his family, his spirit will be with us for years to come.
To be absent from the body is to be present with the Lord.

Cousin Wayne and Katie we love you.
