“ *Irma invited our family to Villa Rica Ga several years ago to her condo. We all enjoyed each other's company. We watch TV, played games, and talked. Granddaddy came and he told us some good stories, you know he has a lot of them. The next morning , Irma and I cooked a large breakfast, we all sat at one big table and just enjoyed our family being together. This is a special memory for all of us. ( Gail Head) sister in law*

“ *Mother Blake I didn't get the opportunity to formally meet you, but I've heard some amazing things and memories about you. You've raised an intelligent, caring and gifted son; that, in itself, affirms you a Proverbs 31 Woman. Because of your legacy, you will continue to live on in each of us. We will honor you as we continue to carry your torch and impact the lives of the women we come into contact with. To the Blake/Staden family, you all are in our thoughts and prayers. May God continue to keep you 🙏 Peace, love and blessings to each of you ❤️*

“ *She Is Gone*  
by David Harkins

*You can shed tears that she is gone  
Or you can smile because she has lived*

*You can close your eyes and pray that she will come back  
Or you can open your eyes and see all that she has left*

*Your heart can be empty because you can't see her  
Or you can be full of the love that you shared*

*You can turn your back on tomorrow and live yesterday  
Or you can be happy for tomorrow because of yesterday*

*You can remember her and only that she is gone  
Or you can cherish her memory and let it live on*

*You can cry and close your mind, be empty and turn your back  
Or you can do what she would want: smile, open your eyes, love  
and go on*

*Love you Irma. Your job is done here.*
