“ *Jacynth you took me under your wings when I came into your family. You gave me advice that was well needed. Distance never dimmed the bond we shared.*

When you called me September 14 I never knew it was my last call. Although my heart is torn into pieces, I have the assurance that you are in our Savior's arm and has reunited with Leroy, your great love. Sleep in heavenly peace my beloved sister and friend. You will forever be in my heart 🌹💕💕
