“ *Jerand,
My baby, my first cousin but more like my little brother, you will forever be missed. It doesn't seem real to me. Never in a million years did I ever think you would be gone so soon. I'll forever cherish the memories we created and shared. I love you baby boy. Rest well. Tell Grandma, granddad, Uncle Tris, Blake and Sam that you're all missed and loved so much. Life will never be the same.*

“ *I miss you kiddo. This seems so unreal. But God knew what was best for you. He needed you more than we ever did. He added a new soldier to the Heavenly Army and a strong minded one at that. I love you kid and I always will. Lol I can hear you now talking trash about me crying. My grandma or "granny " as you called her misses you as well. I'm so sorry for your families lost. But even in death there's life, sure Ms.Felicia lost her baby boy but you left her one all the same.... one to carry on your name.*

Love you!
