“ I met Jerome when my children started playing baseball in McDonough Youth Association in the early 90's. I even coached a few teams with " Coach Jerome". He was an excellent coach and he always had the kids best interest at heart. Jerome was a role model and mentor to all ages. This world could use more men like him. In these present times, we may never know the true impact he made on all the lives he touched. We will all miss "Coach Jerome"!
