“ My life will never be the same, Uncle Johnnie did not just talk about loving you he showed you and taught you how to love. he listened and took time with anyone that would want to take time to learn. to know him was to love him. Sir you have blessed me in ways i cannot even imagine. thank you for your listening to God and allowing him to control your heart. I will try my best to pay it forward. always remembering where it started. I will love you and miss you
Your Godson Johnnie B. Wilson II.
