“ My sincere sympathy to Jordyns family, I know this is so hard to bear but God never gives us anything too hard for he will be with you. Jordyn was in my grandsons class at school. She was his best friend and I think she felt the same toward him. Special needs children know no hate or prejudice only love. They are definitely children of God. I know he misses her and doesn't understand why she is not there. Rest in peace little one and you will be missed.

“ Jordan attended Gift of Dance with my daughter, Trinity. She was such a light with the brightest smile ever. Class won't be the same without her. Rest in Heaven sweet angel.
