“ Sending my condolences to Ms. Joyce family. Lekasey thank you for sharing your mother with me. Your mom door was always open, your mom was beautiful inside and out. Your mom was always a phone call away. Your mom raised alot of us and made sure we knew how to pray. Ms. Joyce will be truly missed.

“ *Sending my condolences to the family. Joyce was always a pleasure to talk to. When she couldn't get an answer at my Mom's (her Aunt Bessie) she would call me to find out where she was at. No more pain, rest in love and peace cousin.*

“ *To my family, I thank God for having my sister in my life for so many years through the hard times the sad times the happy times where it has not been easy and God knows it is not easy for me now may we all find peace and comfort in knowing that she is in no more pain that God will give her the rest she needs and may we remember her in our hearts for being that crazy, funny loving person that she was. May we live our lives as one that's pleasing in God's eyes so that we may join her one day .Amen Love you all 🙏*
