“Wow!!! I wish I had known....we moved to Georgia today, were roommates for more than 10 years and co-workers at Sears, Roebuck & Co for even more years. Your quiet and reserve spirit will always be remembered, you were the best roomie and friend anyone could every ask for. Rest on Karen and fly high. You will forever, be in my heart. Condolences to the family and friends. May God comfort them during this time. Much Love, Mamie Stukes

“ *My Scorpion Sister Karan. We spent a lot of time together on and off work. We went to plays dinners and comedy shows. Karan was a true friend and always made sure I was good. She would drop me off when my car was being serviced and it was at those times we shared. Karan I want you to know the impact you had on my life. You listen and didn't judge. You are a safe space for me to share. You made it known what time it was. You always put God first and wasn't afraid to speak up and let others know when they were wrong. You also loved hard and if you had it you would help others without thinking twice. You have impacted my life in ways you never thought possible. Your legacy will live on the hearts minds and spirit of those you crossed paths with. You left a footprint on my heart and I will always remember you my scorpion sister. I LOVE YOU KARAN. ❤️*
