“ I cannot believe I'm reading your obituary. It saddens me deeply. You were a phenomenal woman, and a very loving mother. I didn't understand some of your parenting decisions, until I myself became a parent. I want you to know, I would've done the same exact thing. When I saw your obituary, I immediately thought of my old friend, and your only son. I thought about his love for you, and I felt his pain. I know you raised intelligent, and strong children with great faith..... Rest in glory. -J. M.
