“ My sincere condolences to the Glenn family. Mrs. Glenn will be fondly remembered for her enthusiasm for learning and her "beautiful spirit" as she encouraged students to reach their highest potential. She was an advisor for our West Side High School graduating class of 1968. May the Lord cover the family with comfort and His perfect peace!:sparklingheart:

“ My cousin Katie Glenn. She is the first cousin to my Grandmother. What you have instilled in us will never be forgotten. You shared your wealth of knowledge and made us all proud to be descendants of the Hurse Family. May you rest in peace. I will always treasure our last visit with you.

“ Words cannot fully capture the essence of Ms. Katie! She is the epitome of timeless elegance and grace, yet her relatable nature makes everyone feel at ease in her presence. Classy and feisty, she carries herself with a calming spirit that reminded me of the feeling of coming home to a place where you are deeply loved.

I was fortunate to visit with her a few times over the years, and those moments left a lasting impression. Her bright light and vibrant spirit touches everyone around her. I speak of her in the present tense because although she is no longer with us physically, her light and spirit continue to live on through all who have the privilege of knowing her.

I am truly grateful to have the opportunity to know Ms. Katie. I pray for strength and peace for the family as you mourn her passing, and may her beautiful legacy bring you comfort in the days ahead.

*My deepest condolences,
Ava Artis*
