“*"Rashad" is what I called him.
A long time neighbor and friend.
He had such a welcoming smile,
Which made you want to stay awhile.
As a kid he long to get across the streets,
To join my nephews in the sweltering heat.
As Carrol(RIP) watched while he crossed,
You know when got there, I was the boss.
I told him stories about how his aunt Kim(RIP) was my childhood
friend,
And now this had to come to an end.
God makes no MISTAKES, He has gained another Angel headed
into the Pearlie Gates.
Rashad you will be truly missed . Rest on my brother.
My deepest sympathy to the Scott and Harrell family*

“ I have so many memories of you Shad we were the oldest kids in summer camp! Singing BBD at the top of our lungs on the bus, going on field trips. Hanging out at Rod's house and working at the call center in high school and how I became instantly popular because I knew the new cute guy. I could go on and on. When we reconnected on the Book I was so proud to see the direction your life had taken a firefighter/EMT and a great father. Seeing a post that said RIP today shook me up, I know we all have to do it and we never know when it's our turn... Rest well Rashad Kennis R. Harrell you will be missed.

*Still in a state of disbelief.
My sincerest condolences to the Harrell family on the loss of Kennis. I was indeed blessed to call him friend and I will miss him. He impacted so many lives and he definitely left his imprint on this world. He loved his family and there have been many a night in the fire station we talked about family, kids and how he felt he was a blessed man to have a family and friends that he had.
Rest in Heaven my friend and save a seat for me.*

It is my honor to know him, to laugh with him and appreciate him. Kennis holds an awesome memory for me and the work we have partnered to do in our community over many years. His wide smile showed his love for his chosen career, and he was great at it. Miss you much my friend. KJ / EMS

Rashad you have been a true blessing to our family. I love your kindred spirit, your smile and your concern for others. I even loved baking your sweet potato pies and not knowing what you would show up in to pick them up! It's a sad but joyous occasion as we celebrate your legacy. Rest in peace cousin. Say hello to Carol, Auntie, Mama and Junior! We love all of you!
